

DEAR PARENTS

Spring is here! Some events in April are “Week of the Young Child” which is April 13th-17th, and “Earth Day” on April 22nd. April is also “Child Abuse Prevention” month.

PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences are scheduled for Wednesday & Thursday, April 15th & 16th. There is no preschool on these days.

Please see the attached sheet with your scheduled day & time. Please note we are only holding phone conferences in lieu of the current health risk. If for some reason the scheduled day & time doesn't work for you, please let us know.

COVID-19 AND OUR PLANS

With the severity of the COVID-19 virus things seem to be changing on a daily basis as far as precautions. We now have a COVID-19 page on our website where we will keep all of our updated information and changes, as well as on our Facebook Page. Please be aware some planned activities could be cancelled. On this page are some great resources for families and their children.

Also we have added an At Home Activity page on the Parent page of our website to help keep your child(ren) busy, especially those who are staying at home.

We hope everyone is staying healthy. Everyone's well-being is our top priority during these challenging times. Please communicate with us if your child or anyone in your family is sick and/or if you have been exposed to the virus. Thank you for your cooperation!

TYKES CORNER

April is Child Abuse Prevention Month.

Discipline and teaching your children acceptable ways to behave can be one of the most challenging parts of parenting. The purpose of discipline is to guide your child through their developmental stages while teaching them important lessons and behaviors that will help them grow into successful adults. One resource to help support you in this is ["Circle of Parents."](#)

Also, check out the Parent Education topic for this month on our website: **"Childhood Stress."** During a time like this EVERYONE can be experiencing stress and need help working through it.
