

TINY TOTS and LITTLE TYKES inc.

December 2021 Preschool News

DEAR PARENTS

Happy Holidays!

Reminder there is NO PRESCHOOL December 22nd-January 3rd. Classes will resume on Tuesday, January 4th. Tuition deduction has already been figured in the master pay schedule. Enjoy your winter break!

SUPPORT TINY TOTS WHILE YOU SHOP

Planning to do some holiday shopping on Amazon? If so, please consider supporting us during this challenging time. We are doing our best to remain open and keep up with COVID safety guidelines. All you need to do is go to smile.amazon.com and sign in or create an account the same as you would for amazon.com. There is an option/search where you can put in Tiny Tots & Little Tykes as the organization you would like a portion of your purchase to go to. Thank you for your support during this difficult time.

GINGERBREAD HOUSE CONTEST

We are having a Tiny Tots family Gingerbread House Contest! Attached you will find a flyer with the details. We would love to see you all participate! It does not need to be anything fancy, as you will see with the one we shared in the attached flyer, it can be a simple graham cracker one. Other ideas are one made out of cardboard or a drawing of one. Send a photo of your completed house to ljohnston@ttl.org by Thursday, December 16th. Tiny Tots staff will judge the houses and the winner will be announced on Friday, December 17th and awarded a fun prize basket full of goodies. **Good luck!**

SANTA FUN AT HOME

There is a fun website called emailsanta.com where you can watch live webcams or recorded videos to see what Santa and his helpers are doing. There are also coloring pages, elves telling stories, a naughty or nice checker, a Santa tracker, and much more. Oh what fun! Ho! Ho! Ho! **Check it out!**

PARENT/TEACHER CONFERENCES

Thank you everyone for connecting with Jackie for a phone conference. This is an important time for us to discuss goals for the children and how the year is going so far.

DRESS FOR WEATHER

Remember to dress your child appropriately for the colder weather. Children will go outside to play every day that the temperature is above 0° and there are no weather advisory warnings. Going outside when properly dressed is very healthy for the children. If you feel your child is too ill to go outside, they are too ill to be at school.

PARENT EDUCATION

Check out the Parent Education section on our website for this month's topic: "How to Keep Your Kids Warm & Safe in a Car Seat Without Bulky Coats."

TYKES CORNER HOLIDAY FUN

The holidays are here! Let's have a little fun! We will be posting a riddle one day and the answer the next in the front lobby from December 6th through December 17th.

Christmas Riddles

Be sure to look for the riddle and read it to your child(ren) to see how many you can answer correctly. 😊
