### VALENTINE PARTIES

Our Valentine parties are scheduled for Thursday, February 13<sup>th</sup> & Friday, February 14<sup>th</sup>. We'll celebrate the day by playing games and sharing our valentines. Please have your child bring 10 valentines for the party. PLEASE DO NOT ADDRESS THE OUTSIDE OF THE ENVELOPES! Just help your child sign their name on the back of the valentines. If you would like to send trinkets or stickers that day, you may. We prefer that you DO NOT SEND candy to pass out.

## RESOURCE EVENTS

We will have a S.T.E.M. event with the theme “African Safari” on Wednesday & Thursday, February 5<sup>th</sup> & 6<sup>th</sup> at 10:30 a.m. The children will pretend to camp beside a waterhole and learn about the amazing animals that come to drink.

February is Dental Health Month. 

The classrooms will incorporate activities and lessons on caring for our teeth.

Also, we are excited to also have one of our previous parents who is a hygienist come and talk to the children about caring for our teeth & mouth on Thursday, February 27<sup>th</sup> during preschool hours.

**BRRR....**

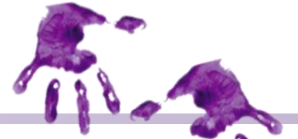

Brrr! It’s cold outside. Did you know that if it is too cold for you outside, it is too cold for your pet? Even if they have shelter unless it is heated, you are putting your pet at risk of frostbite, illness, or even death.

**\*Teach your children to be kind to animals, they will also grow up to be kind to humans.**

**Keep your pets safe & warm.  
Bring them inside.**

Winter, winter, winter. Here is a way to increase children’s step count this winter:

- 1) Replace story time with drama plays: have children act out stories and fairy tales.
- 2) Walk with your children to increase physical activity.
- 3) Make TV time more active: have children walk around when a commercial comes on TV.
