

TINY TOTS and LITTLE TYKES inc.

DEAR PARENTS

Summer is here! We hope you are enjoying it so far. The teachers have many fun activities planned for their classrooms.

***Please make sure children are wearing tennis shoes every day!**

The School Age and Young School Age groups have their own calendar of events since they go on many walking field trips. If you are the parent of a school ager, watch for these to be passed out each month. Keep them somewhere that you can refer to daily! Times for walking trips are posted on these. **Note: If your child is not here in time to go on the walking trip, then you will need to bring them to the event location or wait to bring them until they return to Tiny Tots from the event.**

HOLIDAY REMINDER

We are closed on Thursday, July 4th in observance of Independence Day. Reminder that our policy states that there is no deduction in tuition for holidays. We hope you have a safe and enjoyable holiday! See "Tykes Corner" for some safety information for your family, including your pet.

July 2019 Child Care News

TINY TOTS PARADE

Wednesday, July 3rd we will be having a parade in the fenced in green space of Tiny Tots at 10:00 a.m. All of the classrooms will participate. They will march around as Pat plays some music. There will be a small treat afterwards.

FAMILY EVENT

Join us for a *Painting Family Event* on Tuesday, July 30th from 4:00-5:30 p.m. at Tiny Tots (in the green space if weather allows). There will be large canvases with sections marked/taped so that each family can have a spot to paint on. The end result will be a large collage/quilt type painting created by all of our families.

REDROVER READERS

This summer LeeAnn, an office staff person, will be doing some RedRover Reader camps using the RedRover Readers curriculums with the school age groups. They'll be learning about how we can tell how an animal feels by observing their body language. They will also be learning about caring for an animal properly and how to always be kind to them. **"Teach a child to be kind to animals they will also grow up to be kind to people."**

See the calendar for scheduled activities.

MUSIC CLASS

Pat will do a “Picnic & Pools” theme for music this month. She will teach the children through singing, playing instruments, and using other items such as beanbags.

SUNSCREEN

If you bring your child after 9:00 a.m. please have sunscreen on them or put it on them when you arrive if your child’s group is already outside. Thank you!

LOOKING AHEAD

We will be having a Meet & Greet for the Fall Preschool Program on Monday, August 26th from 4:30-6:00 p.m. More details will be in the August newsletter. All are welcome to come!

There are still a few spots available in the preschool program for the 2019-2020 school year. Let the office know if you are interested in signing up your child.

Don’t forget to check out the Parent Education topic for this month on the Parent Page of our website: “Teaching Children How to Follow Directions” by Conscious Discipline.

TYKES CORNER

So many great outdoor activities to do in the summer and celebrating the 4th of July is a lot of fun, but we also have to consider safety.

Don’t forget to plan for safety for your pets during the 4th of July celebrations. Loud, crowded fireworks displays are no fun for pets, who can become frightened or disoriented by the sound. Please resist the urge to take them to Independence Day festivities and opt instead to keep them safe from the noise in a quiet, sheltered and escape-proof area at home.

Never use fireworks around pets! While exposure to lit fireworks can potentially result in severe burns and/or trauma to the face and paws of curious pets, even unused fireworks can pose a danger. Many types contain potentially toxic arsenic and other heavy metals.
