

### DEAR PARENTS

**Summer is here!** We hope you are enjoying it so far. The teachers have many fun activities planned for their classrooms.

**\*Please make sure children are wearing tennis shoes every day!**

The School Age and Young School Age groups have their own calendar of events since they go on many walking field trips. If you are the parent of a school ager, watch for these to be passed out each month. Keep them somewhere that you can refer to daily! Times for walking trips are posted on these. **Note: If your child is not here in time to go on the walking trip, then you will need to bring them to the event location or wait to bring them until they return to Tiny Tots from the event.**

### Sunscreen ☀️

If you bring your child after 9:00 a.m. please have sunscreen on them or put it on them when you arrive if your child's group is already outside. Thank you!

### HOLIDAY REMINDER

We are closed on Friday, July 3<sup>rd</sup> in observance of Independence Day. Reminder that our policy states that there is no deduction in tuition for holidays. We hope you have a safe and enjoyable holiday! See "Tykes Corner" for some safety information for your family, including your pet.

### TINY TOTS PARADE

Unfortunately, we will not be having an all center parade this year. But classrooms will do some fun Fourth of July activities with their group which may include their own parade.

### PROCARE

It's been about a month now since we have started using Procare. We appreciate your patience as we ourselves are also learning how to use all of its features.

## 2020-2021 PRESCHOOL

There are still a few spots available in the preschool program for the 2020-2021 school year. Let the office know if you are interested in signing up your child.

.....

## PARENT EDUCATION

Don't forget to check out the Parent Education topic for this month on the Parent Page of our website: "[Five Ways to Encourage and Celebrate Diversity with Early Learners.](#)"

## TYKES CORNER

So many great outdoor activities to do in the summer and celebrating the 4<sup>th</sup> of July is a lot of fun, but we also have to consider safety.

4<sup>th</sup>  
of  
July  
Safety

Don't forget to plan for safety for your pets during the 4<sup>th</sup> of July celebrations. Loud, crowded fireworks displays are no fun for pets, who can become frightened or disoriented by the sound. Please resist the urge to take them to Independence Day festivities and opt instead to **keep them safe from the noise in a quiet, sheltered and escape-proof area at home.**

Never use fireworks around pets! While exposure to lit fireworks can potentially result in severe burns and/or trauma to the face and paws of curious pets, even unused fireworks can pose a danger. Many types contain potentially toxic arsenic and other heavy metals.
