

TINY TOTS and LITTLE TYKES inc.

DEAR PARENTS

Summer is here! We hope you are enjoying it so far. The teachers have many fun activities planned for their classrooms.

***Please make sure children are wearing tennis shoes every day!**

Reminder... the School Age and Young School Age groups have their own calendar of events since they go on many walking field trips. If you are the parent of a school ager, watch for these to be passed out each month. Keep them somewhere that you can refer to daily! Times for walking trips are posted on these. **Note: If your child is not here in time to go on the walking trip, then you will need to bring them to the event location.**

Sunscreen & Insect Repellant

If you bring your child after 9:00 a.m. please have sunscreen & insect repellant on them (if they are going to a park or nature center) or put it on them when you arrive if your child's group is already outside. Thank you!

July 2021 Child Care News

HOLIDAY REMINDER

We are closed on Monday, July 5th in observance of Independence Day. Reminder that our policy states that there is no deduction in tuition for holidays. We hope you have a safe and enjoyable holiday! See "Tykes Corner" for some safety information for your family, including your pet.

TINY TOTS PARADE

We will be having our annual classroom parade on Tuesday, July 6th in our parking lot at 10:00 a.m. The groups will take turns marching around the parking lot showing off their festive art. All are welcome to come and watch.

REPTILE SHOW RESOURCE EVENT

Jelly Fish Entertainment will be here outside in the green space on Wednesday, July 28th at 10:00 am to do a reptile show with the school age groups. The Toddler, Magenta, and Purple groups will get a turn to see and touch the reptiles after the school age event is done.

2021-2022 PRESCHOOL

There are still a few spots available in the preschool program for the 2021-2022 school year. Let the office know if you are interested in signing up your child.

PARENT EDUCATION

Don't forget to check out the Parent Education topic for this month on the Parent Page of our website: "Consumer Safety Check Up on Products in Homes."

TYKES CORNER

So many great outdoor activities to do in the summer and celebrating the 4th of July is a lot of fun, but we also have to consider safety.

4th
of
July
Safety

Don't forget to plan for safety for your pets during the 4th of July celebrations. Loud, crowded fireworks displays are no fun for pets, who can become frightened or disoriented by the sound. Please resist the urge to take them to Independence Day festivities and opt instead to **keep them safe from the noise in a quiet, sheltered and escape-proof area at home.**

Never use fireworks around pets! While exposure to lit fireworks can potentially result in severe burns and/or trauma to the face and paws of curious pets, even unused fireworks can pose a danger. Many types contain potentially toxic arsenic and other heavy metals.
