

TINY TOTS and LITTLE TYKES inc.

DEAR PARENTS

Summer will soon be here! The teachers have a lot of fun summer activities planned. The school age children will be participating in many walking field trips. If you have school age children that attend here, you will be receiving a June calendar of activities and a permission form for the walking field trips (if you haven't already signed one). **If your child is not here in time to go on these walking trips, then you will need to bring them to the event location or wait to bring them until they return from the event.** Keep the calendar accessible throughout the month so you can see the daily activities & times. Calendars will come out for July & August at the beginning of those two months.

***Tiny Tots policy is that children need to be in attendance by 10:00 a.m. each day OR earlier if there is a scheduled walking trip. Please notify us by 9:00 a.m. if your child will be later than 10:00 a.m. or absent. If parents have not called by 9:00 a.m. and the child has not arrived by 10:00 a.m., we reserve the right to refuse admittance of your child for the day.**

June 2018 Child Care News

HOLIDAY REMINDER

We are closed on Wednesday, July 4th in observance of Independence Day. Reminder that our policy states that there is no deduction on tuition for holidays. We hope you have a safe and enjoyable holiday!

.....

FAMILY ACTIVITY

On Wednesday, June 13th we will have a jumper available and a "Make Your Own Fruity Bug" snack out on our green space area. Stop by with your child(ren) anytime between the hours of 3:30-5:30 p.m.

Tiny Tots is sponsored by the MN Dept. of Health and we implement the LANA program which is "Learning About Nutrition Through Activities." This program targets the following foods: strawberries, kiwi, broccoli, cherry tomatoes, apricots, sweet red peppers, sugar snap peas, and sweet potatoes. Statistics say, if they will eat these eight foods they will less likely be picky eaters when they get older. Our "fruity snack" is from the LANA recipe book. Children are more likely to eat or try certain foods if they participate in making it.

The following link is to a great article on www.parents.com: [Stop Trying to Get Your Kids to Eat New Foods.](#)

MUSIC CLASS

Pat will do a "Vacation USA" theme for music this month. She will teach the children through singing, playing instruments, and using other items such as beanbags.

*During the summer Pat will do music time in the mornings with the classrooms instead of in the afternoons.

TINY TOTS PARADE

Thank you to everyone who donated candy and walked with us in the West St. Paul Parade.

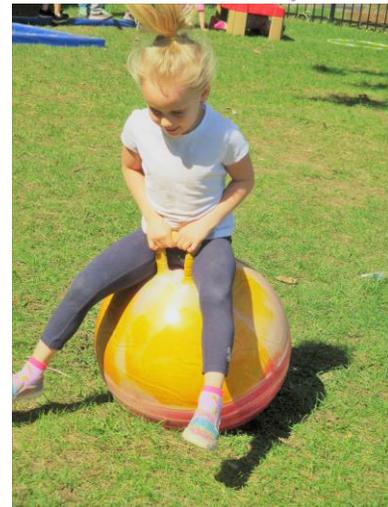

TEACHER APPRECIATION WEEK

Thank you to all who helped us thank our staff for their love and dedication to the children during "Teacher Appreciation Week."

FALL PRESCHOOL

There are still a few openings for the 2018-2019 school preschool program. If your child is preschool age and potty trained and you are interested in having your child join, please see the office.

 Happy
Father's
Day!
Sunday, June 17th

TYKES CORNER

Did you know that when it is 75 degrees outside it is 118 degrees inside of a car? Now that warmer weather is here we need to be aware of this and **not leave our children or pets in the car**, even for a short amount of time.

Kids and Hot Cars Safety Tips You Should Know

- Never leave children alone in or around cars; not even for a minute.
- Put something you'll need like your cell phone, handbag, employee ID or brief case, on the floor board in the back seat.
- Get in the habit of always opening the back door of your vehicle every time you reach your destination to make sure no child has been left behind. This will soon become a habit.
- Make arrangements with your child's day care center or babysitter that you will always call if your child will not be there on a particular day as scheduled.
- When a child is missing, check vehicles and car trunks immediately
