## June 2021 Child Care News

### HOLIDAY REMINDER

We are closed on Monday, July 5<sup>th</sup> in observance of Independence Day. Reminder... there is no deduction in tuition for holidays. Please let us know if your child(ren) will not be attending any other days this week.

Our **KINDNESS QUILT** displayed in our entry way.

### SMILE: FAMILY ACTIVITY

Did you know that Tuesday, June 15<sup>th</sup> is “Smile Power Day?” Smiles are powerful and we would like to share some with a picture of you & your child. So on the afternoon of Tuesday, June 15<sup>th</sup> we will have **smile props** in each classroom. Your child’s teacher will take a picture of you & your child at the door. **Masks are still required so please keep them on and use the smile props.**

*\*These will be shared on social media.*

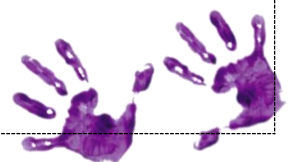

### DEAR PARENTS

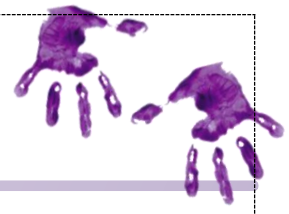

Summer will soon be here! Our staff are planning some fun activities for the summer while keeping health & safety a priority.

**School Age Parents:** You will be receiving a summer letter and June calendar of activities soon. There will be a July and August calendar that will be available later as well. We recommend you keep these on your refrigerator or somewhere you can easily access throughout the summer. There are a number of walking trips planned. Children need to be here on time or you will be responsible for bringing them to the location and meeting up with the group. Children can not stay at Tiny Tots when their group is not here because there are not any school age staff that stay behind.

# HAPPY FATHER'S DAY!

Sunday,  
June 20<sup>th</sup>

Staff enjoying a delicious lunch for *Teacher Appreciation Week*

### TEACHER APPRECIATION WEEK

Thank you to all who helped us thank our staff for their love and dedication to the children during "Teacher Appreciation Week."

### INFLATABLE OBSTACLE COURSE

We will have an inflatable obstacle course for the Toddler-School Age groups to use throughout the day on Wednesday, June 16<sup>th</sup>.

### FALL PRESCHOOL

There are still some openings in the 2021-2022 preschool class. Let the office know if you're interested in signing up your child.

### TYKES CORNER

Did you know that when it is 75 degrees outside it is 118 degrees inside of a car? Now that the warmer weather is here we need to be aware of this and **not leave our children or pets in the car**, even for a short amount of time.

#### Kids and Hot Cars Safety Tips You Should Know

- Never leave children alone in or around cars; not even for a minute.
- Put something you'll need like your cell phone, handbag, employee ID or brief case, on the floor board in the back seat.
- Get in the habit of always opening the back door of your vehicle every time you reach your destination to make sure no child has been left behind. This will soon become a habit.
- Make arrangements with your child's day care center or babysitter that you will always call if your child will not be there on a particular day as scheduled.
- When a child is missing, check vehicles and car trunks immediately

Information from KidsAndCars.org

### Hot Car Safety

Outside	Inside Car
75°	118°
77°	123°
81°	138°
90°	143°
94°	145°
