NUTRITION TABLE

Eating right and drinking lots of water are **important for our health**. We are recognizing this on Wednesday & Thursday, March 7th & 8th. Stop by the nutrition table in the lobby on one of these two days to grab a healthy snack to go.

RESOURCE EVENT

We will be having a resource event called "The Magic of Dr. Seuss" on Tuesday, March 20th & Wednesday, March 21st at 9:30 a.m.

Did you know Dr. Seuss's birthday is March 2nd? Here are five inspiring quotes from his classic books:

1. "You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And you are the one who'll decide where to go."
2. "Why fit in when you were born to stand out?"
3. "Be who you are and say what you feel because the ones who mind don't matter, and the ones who matter don't mind."
4. "So be sure when you step, step with care and great tact. And remember that life's a great balancing act. And will you succeed? Yes! You will, indeed!"
5. "Sometimes the questions are complicated and the answers are simple."

TYKES CORNER

Did you know that on September 26th, 1961, the 87th United States Congress passed a joint resolution requesting that the President of the United States proclaim the third week of March National Poison Prevention Week? On February 7, 1962, President John F. Kennedy responded to this request and proclaimed the third week of March as National Poison Prevention Week. The first National Poison Prevention Week was therefore observed in March 1962.

This year it is March 18th-24th. Please help us teach children about poison dangers. If someone may have been poisoned, call the toll free Poison Help Line (1-800-222-1222), which connects you to your local poison center.
