

TINY TOTS and LITTLE TYKES inc.

DEAR PARENTS

March is another exciting month with St. Patrick's Day, Poison Prevention Week (March 21st-27th), and spring beginning (March 20th)!

March is also "Nutrition Month."

Don't forget... daylight savings time begins on Sunday, March 14th. CHANGE YOUR CLOCKS AHEAD ONE HOUR!

SPRING BREAK

There is no Preschool March 29th-April 2nd. We hope you enjoy this spring break! Classes resume on Monday, April 5th. Reminder: There is no tuition charge for spring break week. This has already been figured into your tuition.

March 2021 Preschool News

GUESS HOW MANY IS BACK

We are happy to provide another "guess how many" family activity. To celebrate St. Patrick's Day we will have a green cauldron with some chocolate gold coins in it. The family who guesses the closest amount to the correct number of gold coins, without going over, will win the cauldron and its contents. This will begin on Monday, March 8th and end on Friday, March 12th. The winner will be announced on Monday, March 15th.

BUTTER BRAIDS FUNDRAISER

Our Butter Braid fundraiser begins on Wednesday, March 3rd and ends on Wednesday, March 17th. They will be delivered March 31st. These are delicious and great for Spring celebrations! Watch for more information next week!

RESOURCE EVENT

A Tiny Tots employee, LeeAnn, will do a RedRover Readers resource event with the children on Wednesday, March 3rd & Thursday, March 4th. The children will learn about cats through an interactive story. RedRover Readers goal is to teach empathy for all animals. "Teach children to be kind to animals, they will grow up to be kind to humans." They will receive a little activity book about caring for cats.

FEATURED STAFF

Our tagline is “Building future super heroes” but we already have super heroes among us: our staff. We all miss being able to see and connect with you every day. Without parents being able to come into the classrooms there hasn’t been the same opportunities for the continued building of staff/parent relationships. Therefore, we are going to do a “featured staff” theme for the next several months. Watch for the preschool staff!

LOOKING AHEAD

We will be celebrating the “Week of the Young Child” April 10th-16th. Watch for more info on some fun activities we have planned for this week.

Parent/Teacher spring conferences will be on Wednesday & Thursday, April 14th & 15th. THERE IS NO PRESCHOOL ON THESE DAYS. We will send home more information as we get closer.

TYKES CORNER

Did you know that on September 26th, 1961, the 87th United States Congress passed a joint resolution requesting that the President of the United States proclaim the third week of March National Poison Prevention Week? On February 7, 1962, President John F. Kennedy responded to this request and proclaimed the third week of March as National Poison Prevention Week. The first National Poison Prevention Week was therefore observed in March 1962.

This year it is March 21st-27th. Please help us teach children about poison dangers. If someone may have been poisoned, call the toll-free Poison Help Line (1-800-222-1222), which connects you to your local poison center.

Also, check out the Parent Education topic for this month on our website: “Social-Emotional” discussing what are social-emotional skills?
