TYKES CORNER

Is your family prepared for an emergency?

The Red Cross website has many resources on drills and making a plan. The following link will take you directly to the page to get started:

<http://www.redcross.org/get-help/prepare-for-emergencies/types-of-emergencies>. Don't

forget about your pets! You should include them in your plans for emergencies also. There is information on this here:

<http://www.redcross.org/prepare/location/home-family/pets>.

At Tiny Tots during the months of April through October we participate in tornado drills. We have fire drills every month during the year. Also, we do lockdown drill 3 to 4 times per year. If you ever have any questions about the procedures for these drills, please feel free to contact us at 651-457-0042 or email us at tinytots@ttlt.org. If an emergency situation should render the building unsafe, the children shall be taken to Rhythm and Shoes Dance Studio (in adjacent Southview Square). The address is 1907 South Robert Street, West St. Paul, MN 55118. The phone number is 651-554-1142.
