

TINY TOTS and LITTLE TYKES inc.

DEAR PARENTS

Fall is here! It's time to enjoy the beautiful fall colors. Now that the cooler weather is upon us, it's time to bring a lightweight jacket labeled with your child(ren)'s name. Also, remember to change the extra set of clothing in your child's cubby from summer to fall wear.

PARENT/TEACHER CONFERENCES

We will be doing our fall conferences by phone only. The schedule is as follows:

Infants/October 5th-9th
Toddlers/October 12th-16th
Magenta/October 19th-23rd
Purple/October 26th-30th
Preschool/November 2nd & 3rd
Orange/November 9th-13th
School Age/November 16th-20th

If you would like to schedule a conference, contact the office at 651-457-0042 or ask the person at the front door.

COVID 19 SAFETY UPDATES

We are excited to let you know that we received a grant to purchase an air filtration system that kills viruses in the air, including COVID-19. This will filtrate the air in the Infant, Toddler, and Magenta room. If funds allow, we may have additional units installed in the future to filtrate the rest of the center. With this grant we also were able to purchase a temperature scanner we are now using when children check in.

October 2020 Child Care News

KINDNESS IN CHALK

We will be participating in the "Kindness in Chalk" event again this year. "Kindness in Chalk" is a movement started by www.minnemamaadventures.com. On Monday, October 5th we will have chalk available on our front sidewalk. We could all use some positive messages right now, so grab a piece of chalk and draw/write a message with your child (ren) such as "be kind" and "one kind word can make a difference."

We encourage everyone to wear Orange on Wednesday, October 21st in support of Bullying Prevention.

PUBLIC SAFETY OFFICERS

A few public safety officers will visit to talk about general safety on Tuesday, October 13th at 10:00 a.m. for the Purple, Orange, & Preschool groups and Wednesday, October 14th at 10:00 a.m. for the Toddler, Magenta, & Preschool groups. October is "Fire Prevention Month" so they will be providing activity books, stickers, and tattoos.

HALLOWEEN PARTIES

The Halloween parties for childcare are on Friday, October 30th in the afternoon. Ask your child's teacher for their classroom party time. There will be fun activities planned for the day. Please bring a costume for your child. The children are encouraged NOT to bring candy to share; if you would like you can send trinkets such as stickers, pencils, etc.
