January

We hope you have a wonderful holiday season!
We wish you all the best in the New Year.

Tax season is upon us. If you would like your 2022 tuition statement, please let the office know. We will begin working on the requests the first week of January. Once you request this information, please be aware that it could take approximately one week to complete it.

Reminder to allow yourself extra time for driving on the roads when picking up your child. If you think you may be late consider having someone else pick them up.

Kindergarten registration for all schools in District 197 opens on December 22nd. Click [here](#) or go to www.isd197.org/district/enrollment for enrollment information and links on their website.
