FAMILY ACTIVITY

Snowman Factory
with homemade playdough!

Join us at our "snowman factory", a family activity to be held in our school age room on Wednesday, January 29th at pick up time.

Stop by the School Age classroom any time between 3:30-5:00 p.m. with your child(ren) to make a play dough snowman to take home. We'll have buttons, scarves, twigs, and eyes along with a bag to carry the snowman home in.

TAX SEASON

If you would like your 2024 tuition statement, you can easily view and print it from Procure yourself. Just log into your Procure app and click on "Payments" in the left-hand menu. From there, you'll see a page that lists your invoices and payments. The button for pulling a PDF

statement is circled in red above. This will give you a date range to choose from, going up to a 12-month period. After selecting your desired date range, press "View." From there, a PDF will appear on your browser, which you can then download and print out as needed.
