

# July 2022 Child Care Newsletter

## SUMMER IS HERE

Summer is here! The teachers have many fun activities planned for their classrooms.

A few reminders for summer:

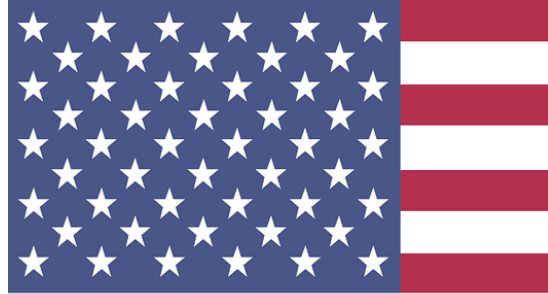

- Make sure children are wearing tennis shoes every day
- If you bring your child after 9:00 a.m. please have sunscreen & insect repellent on them (if they are going to a park or nature center-School Age only) or put it on them when you arrive if your child's group is already outside.
- School Age Parents have their own calendar of activities since they go on many walking trips. Watch for these to come out monthly. **Also, if you choose to bring a water bottle it should come empty and be sure it is empty when leaving. This is for safety reasons to prevent spills and puddles on the floor which we have been noticing lately.** They can be filled up here with their teachers. They also need to be taken home and sanitized between each use.

Be sure to check out this month's Parent Education topic: "Screen Time and Children." You can view it on the Parent Page of our website or on the board in our lobby.

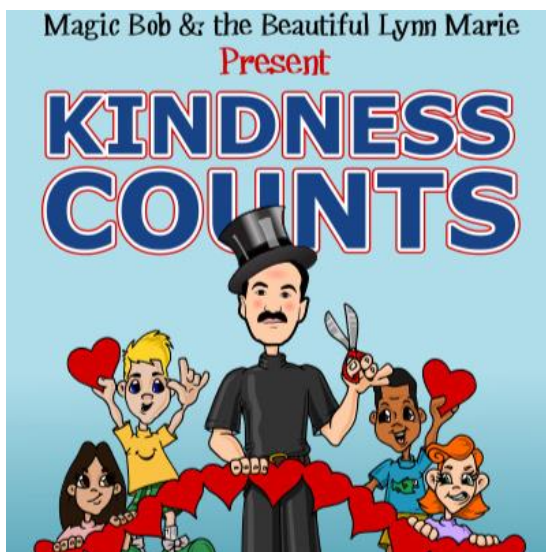

There are still openings in the Preschool Program for the 2022-2023 school year. Contact the office if you are interested.

## HOLIDAY REMINDER

We are closed on Monday, July 4th in observance of Independence Day. Have a safe and enjoyable holiday!

## KINDNESS RESOURCE EVENT

Being kind is the theme of this fun-filled magic show "Kindness Counts."

Through the featured books, illustrative tricks and engaging demonstrations, the children will understand the role they play in helping their school to be a happier place.

Simultaneously, the children will learn how to identify and avoid the kind of behaviors that can make their school an unhappy place.

**The show features lots of audience interaction, and amazing magic!**

**DAY:** Monday, July 25th

**TIME:** 3:00 P.M. for Toddlers, Magenta, & Purple

3:30 P.M. for Preschool & School Age
